

IMPORTANT PROVIDER NOTICE

CMSP Program Benefit Expansion **Effective July 1, 2023**

CMSP has expanded its health care coverage for CMSP Members to include vision, audiology, and expanded dental services. Dental services must be rendered by a CMSP contracted provider in order to be eligible for payment. Covered vision and audiology services rendered by non-contracted providers are eligible for payment at the contracted provider rate as long as the non-contracted provider meets the criteria specified in CMSP's Rate Policy. CMSP's Rate Policy is available to view at <https://cmspcounties.org/billing-claims-payment/>. Members with a share of cost (SOC) must meet their SOC for the month in order for these services to be eligible for coverage by CMSP. Some services may require prior authorization. Please call (877) 589-6807 or visit <https://cmsp.amm.cc/> for benefit limitations.

Vision Services

- *Acceptable Provider Types:* Optometrists, Ophthalmologists, Opticians, & Ocularists
 - ✓ One (1) routine eye exam & prescription glasses every two (2) years
 - ✓ Contact lens testing (if use of glasses are not possible due to eye disease or condition)
 - ✓ Low vision testing for those with vision impairments that are not correctable by standard glasses, contact lenses, medicine, or surgery that interferes with the person's ability to perform every day activities (i.e., age-related macular degeneration)
 - ✓ Artificial eye services & materials for individuals that have lost an eye or eyes to disease or injury

Audiology Services

- *Acceptable Provider Types:* Doctor of Audiometry (AuD)
 - ✓ Two (2) audiometry assessments per month
 - ✓ One (1) tympanometry assessment every 6 months
 - ✓ Hearing Aid Evaluations, Hearing Aids, & Accessories
 - ✓ Evoked Response testing
 - ✓ Electronystagmography
 - ✓ Cochlear implants (including certain supplies & repairs)

Dental Services

- *Acceptable Provider Types:* Dentist (DDS) & Registered Dental Hygienist
 - ✓ Diagnostic & preventative dental hygiene (e.g., exams, x-rays, teeth cleanings)
 - One (1) oral evaluation every six (6) months
 - ✓ Periodontal & restorative services (e.g., crowns)
 - ✓ Emergency services for pain control
 - ✓ Endodontic services (e.g., fillings, root canals, scaling & root planing)
 - ✓ Prosthetics, implants, & prosthodontics (e.g., dentures)
 - ✓ Oral & maxillofacial surgery (e.g., extractions)
